PORTSMOUTH GROUP WALKING PROGRAMME

Correct as at 20th JULY 2015

The Portsmouth Group offers a variety of walks mainly in Hampshire, West Sussex and the Isle of Wight. On Saturdays these are moderately paced 5 to 9 mile walks whilst on Sundays they are faster paced 11 to 15 mile walks. The Group also has short Friday evening walks and some extra Saturday walks in more distant parts in the summer months. Most walks have a pub/cafe stop either at the end or at lunch time.

INFORMATION FOR WALKERS

New walkers always welcome. Just turn up at meeting place for shorter walks. For walks in excess of 10 miles, please contact leader first if you have not previously walked this distance.

Grade A walks – for experienced walkers; brisk pace
Grade B walks – regular pace
Grade C walks – moderate pace
Grade D walks – slow pace

These are only general indications of the pace and will vary with the individual.

All walks are circular unless otherwise stated. Wear stout footwear and carry waterproof clothing for possible wet weather. There will be stops for coffee and lunch, so please bring a flask and food. Walkers should not eat their own food in pubs/pub gardens without permission from the landlord. Walkers are requested not to walk faster than the pace of the leader and where dogs are allowed on walks they must be kept on a lead at all times.

The Ramblers Association is a company limited by guarantee, registered in England and Wales. Company registration number: 4458492. Registered Charity in England and Wales number: 1093577. Registered office: 2nd floor, Camelford House, 87-90 Albert Embankment, London SE1 7TW

CAR SHARING

Our group encourages car sharing and drivers are requested to meet at Cosham Railway Station (CRS) to assist those without transport to get to the walks (**lifts cannot be guaranteed**), and where possible to share cars in order to reduce their numbers and consequently their impact on the environment. **Priority will be given to those without their own transport.** Drivers often appreciate it when a voluntary contribution is made by passengers. As a guide **10p** per mile per passenger is considered an amount which reasonably covers the costs incurred by the driver.

No muddy boots in cars please.

**Leaders do their best to ensure safe walks.
However those taking part do so at their own risk.**

RAMBLERS WALKS FINDER WEBSITE AND LOCAL WEBSITE

All walks put on by the Portsmouth Group can be found on the Ramblers Walks Finder Website.

To see all walks by the Portsmouth Group use this link:

<http://www.ramblers.org.uk/go-walking/group-finder/areas/hampshire/groups/portsmouth.aspx>

This site has more information about each walk than can be put in this printed programme. For instance, each walk on the website has a map showing both the meeting location and start location. In addition as walks appearing in this programme are submitted up to five months before the date of the actual walk there are often changes caused by weather conditions (e.g. floods), closures of car parks, engineering works etc. unknown to the leader at the time of their walk submission. A number of walkers have already missed walks because they did not check for changes.

It is therefore essential that those connected to the internet check Walks Finder before setting out or alternatively contact the leader directly. To assist internet users each walk in the PDF version of this programme has a direct link to that walk, just click on the Walk Title.

In the event of extreme weather, or any other doubt, it is the responsibility of the walker to check Walks Finder or to contact the leader to confirm the walk is taking place.

Email If you have an email address, please notify David Nichols davespecialcon1@btopenworld.com . **This will enable you to receive the PDF version of this Programme as well as emailed updates in the event of walk alterations.**

Portsmouth Ramblers Website: The address is www.portsmouth-ramblers.hampshire.org.uk It is an excellent site containing walks, photos and news items and we are indebted to Ken Peers for its production. If you have any news items, photos or rambling articles for sale that you would like to go on the site, Ken can be contacted at ken.peers@gmail.com or by phone at 023 9261 8533

Ramblers members and the public can also download a basic walk programme directly from the Ramblers Website for any Group in the country including that of the Portsmouth Group. However members of other RA groups who wish to receive a pre-printed copy of our programme should send three stamped, self-addressed envelopes **PLUS A BOOK OF 12 SECOND CLASS STAMPS PER ANNUM** to Ann O'Neil, 223 Tangier Road, Copnor, Portsmouth PO3 6PQ. Please quote your RA number.

INFORMATION FOR WALK LEADERS

New walk leaders are always welcome. Every assistance will be given to those wishing to lead a walk for the first time. The Portsmouth Group has a Walk Leaders Guidelines document which can be downloaded from the Portsmouth Group Website. The address is <http://www.portsmouth-ramblers.hampshire.org.uk/membersinfo.html> This document has a great deal of useful information, especially for new leaders, and is recommended reading.

As walks are submitted for the next walking programme they are uploaded to an **electronic calendar**. This calendar can be viewed either on the Portsmouth Ramblers Website <http://www.portsmouth-ramblers.hampshire.org.uk/membersinfo.html> or on the [calendar website](#) itself. **This allows leaders to see the locations of walks already submitted and the current availability of dates in real time.** In addition the current and future programme of walks can also be added to any electronic calendar programme held on a smartphone or PC. It will then be automatically updated whenever a change is made to a walk or a walk added. Instructions on how to do this are available on the Portsmouth Ramblers Website as shown above.

If a leader is willing to change the date of their walk this is indicated by two stars before the title of the walk on the online calendar but priority will always be given in order of receipt. However the aim is to provide a full & varied programme for the Group and occasionally dates have to be re-arranged or a walk carried forward to the next programme.

WALK SUBMISSIONS Leaders can now add their walks directly onto Walks Finder and the majority of leaders currently use this method to submit their walks. For those leaders without internet access walks can be submitted using the submission form at the end of this programme or you can contact David Nichols for extra paper copies. **NB: Please ensure walk distances are as accurate as possible.**

Leaders should report any incident or accident to the Secretary (priorlinda@btinternet.com) and any obstructions or broken stiles etc. to the Footpaths/Walking Environment/Access Secretary - Mark Page, (mpage9@sky.com) 16 Stansted Road, Southsea PO5 1SA, including grid references where possible.

Any walk leader who has led a minimum of 8 walks over the last three programmes may apply to the Treasurer for reimbursement of the cost of a maximum of three new Explorer maps per annum, group funds permitting. The maps must cover the area normally walked by the group and the application must include a receipted bill and dates of walks led. All walks appear on **WALKS FINDER (Ramblers national database of walks on the WEB)**. Would leaders please advise David Nichols or Chris Mac Arthur if walk details change so **WALKS FINDER** can be updated and walkers contacted.

Ramblers Worldwide Holidays; The Walking Partnership. Under a new initiative we can obtain a financial contribution for the group every time one of our members books a holiday with Ramblers Worldwide Holidays. This is £10 per person booked on UK holidays, £20 per person on short haul holidays and £30 per person on long haul holidays. To qualify you must nominate the Portsmouth Group to RWH before you travel. This costs members nothing and would obviously be a welcome addition to group funds. If you are able to do this you can obtain more detailed information from our secretary Linda Prior on 023 92291324 or email her at priorlinda@btinternet.com

Dates to remember

The AGM will take place on Tuesday 17th November 7:30pm for 8pm. Full details will appear in the next programme.

Don't forget to check [Walks Finder](#) or the [Online Calendar](#) near to the date of the walk to confirm walk details, or contact the walk leader if you have no internet access.

Don't be one of the people who missed walks in the last programme because the start time or start location had to be changed due to car park closures, road closures, engineering works, footpath closures and a number of other causes outside the control of the leader.

In the PDF version of the programme just click on the Walk Title to see the latest information on Walks Finder about that particular walk.

The walks shown in this programme are now taken directly from Walks Finder. This allows more detailed information to be included for each walk such as the Post Code (for Sat. Nav. users) and the availability of toilet facilities at the start of a walk. This will become even more useful in future as leaders become familiar with the various options available in Walks Finder. The majority of leaders now input their walks directly into Walks Finder.

A proverb for walk leaders. May you have the hindsight to know where you've been, the foresight to know where you're going, and the insight to know when you're going too far.
