PORTSMOUTH GROUP WALKING PROGRAMME

Correct as at 30th September 2018. Check the website for any updates.

The Portsmouth Group offers a variety of walks mainly in Hampshire, West Sussex and the Isle of Wight. On Saturdays these are moderately paced 5 to 9 mile walks whilst, on Sundays, they are faster paced 11 to 15 mile walks.

The Group also has short Friday evening walks and some extra Saturday walks in more distant parts in the summer months. Most walks have a pub/cafe stop either at the end or at lunch time.

New walkers always welcome. Just turn up at meeting place for shorter walks. For walks in excess of 10 miles, please contact leader first if you have not previously walked this distance.

Grade A walks – for experienced walkers; brisk pace

Grade B walks – regular pace

Grade C walks – moderate pace

Grade D walks – slow pace

These are only general indications of the pace and will vary with the individual leader.

CAR SHARING AND LIFTS– IMPORTANT INFORMATION

Our group encourages car sharing as well as assisting those without transport and those with transport but who lack confidence driving to unfamiliar areas to get to the walks. To enable this to happen drivers are requested to meet at Cosham Railway Station (CRS). Reducing the number of cars going to a walk not only benefits the environment but also reduces possible tensions with villagers who often feel swamped by the arrival of large numbers of cars. This request has become even more urgent of late as a number of walkers who gave lifts are, for various reasons, no longer able to do so. This means there is a much greater chance of walkers being left behind at Cosham Railway Station. Saturday walks are particularly affected. So if you live in Portsmouth please stop by at Cosham Railway Station in order to help out.

The following guidelines will hopefully clarify the arrangements:

- (a) **The driver of the car is the one who decides what to do at the end of a walk.** If the driver wants to return home immediately after a walk and not go into a pub/cafe then his/her passengers will have to accept that decision. Similarly if the driver wants to stay and his/her passengers don't they will have to stay with the driver. It may be worth discussing this issue with the driver before accepting a lift if this is a matter of concern to you.
- (b) Priority will be given to those without their own transport.
- (c) Drivers often appreciate it when a voluntary contribution is made by passengers. As a guide **10p** per mile per passenger (up to a cap of **£6** per person) is considered an amount which reasonably covers the costs incurred by the driver.
- (d) Ideally walkers who require a lift should contact the leader, **unless it is stated that the leader is meeting at the start of the walk** and so would not be going to Cosham Railway Station. For Saturday walks when the leader is not going to Cosham Railway Station you will need to contact David Nichols on 02392529490 or 07765100863 as he might know if any drivers are going to Cosham, and be able to arrange a lift. On Sunday Group walks a Cosham meeting time is only given when the leader is definitely going to Cosham Railway Station.
- (e) LIFTS CANNOT BE GUARANTEED.
- (f) **Don't forget many walks can be reached by Public Transport.** This is indicated in the programme, with some walks being specifically aimed at public transport users. In the case of bus travel walkers with bus passes would incur no financial cost.

This screenshot shows a section of the home page. The calendar allows the user to move through forthcoming months by clicking on “next” and then, by placing the cursor over a highlighted date, will show the walk details. If you have an Android or other mobile phone device with a touch screen, then this link <https://www.portsmouthramblers.org.uk/news-future-events/50-portsmouth-calendar.html> will load the calendar nicely onto your device. Here you can touch the date to display a list of available walks on that date. Then touch one of those walks to display full details.

Any cancelled walks will appear under the “Cancelled Walks” section whilst other important notices such as changes to a walk or events such as the annual dinner will also be listed on the home page. As walks appearing in this programme are submitted up to five months before the date of the actual walk there are often changes caused by weather conditions (e.g. floods), closures of car parks, engineering works etc. unknown to the leader at the time of their walk submission. There were 9 changes in the last programme. It is therefore essential that walkers check for any changes before setting out on a walk.

It would be nice to get contributions for the website from as many different members as possible, not just the same 2 or 3 people sending in contributions. For example.... last minute information about walk changes e.g. difficulties due to bad weather (muddy, slippery, deep puddles). A few photos from the walk would be nice. Future event information. The more up to date information that is loaded onto the website, the more likely members are to look at and use the website.

NEW LEADERS ARE ALWAYS NEEDED

Over the last few years we have been very lucky in having a core of dedicated walk leaders willing to recce and lead walks for the Portsmouth Saturday and Sunday Groups. Indeed some leaders offer six or seven walks a programme – a staggering 18 to 20 walks a year! However as time marches on we gradually lose leaders often through injury, ill-health or work/family commitments. Being dependant on a team of stalwart leaders who lead a large percentage of the walks has its dangers when those leaders are no longer able to continue – as when that eventually happens the walking programme becomes decidedly bare.

To prevent this happening we need more people to come forward now on both Saturday and Sunday walks. Leading walks does not have to be complicated. If you are unhappy with your ability to read maps just choose a simple route and become familiar with it. Another option is to join up with a friend and lead a joint walk. I am sure many current leaders will be happy to discuss possible routes and go out with you on a recce to make sure all is OK. So please seriously consider becoming a leader if you want the Group to thrive in the long term.

For those considering leading walks and for existing leaders the Group has a number of useful documents and facilities available:

1. The Portsmouth Group has a Walk Leaders Guidelines document which can be downloaded from the Portsmouth Group Website. This document has a great deal of useful information, especially for new leaders, and is recommended reading. Further information is available here [Walk Leaders Guideline Document](#)
2. Before any walks are entered on Walks Finder, i.e. before the leader has finalised the walk details, the date of the intended walk can be booked on the Group's electronic calendar by contacting the programme co-ordinator. This calendar can be viewed on the [calendar website](#) or via the Portsmouth Group website. This allows leaders to see the current availability of dates in real time.
3. If a leader is willing to change the date of their walk this is indicated by two stars before the title of the walk on the online calendar but priority will always be given in order of receipt. However the aim is to provide a full and varied programme for the Group and occasionally dates have to be re-arranged or a walk carried forward to the next programme.
4. Submitting walks: leaders can now add their walks directly onto Walks Finder and the majority of leaders currently use this method to submit their walks. For those leaders without internet access walks can be submitted using the submission form at the end of this programme or you can contact David Nichols for extra paper copies. On the [Portsmouth Ramblers Website](#) are a few videos showing how to log on, add a walk and copy a previous walk etc. To use this facility new leaders need to create an account on the Ramblers website and then contact the co-ordinator so that they can be added as a contributor for the Portsmouth Group.
5. Any walk leader who has led a minimum of 8 walks over the last three programmes may apply to the Treasurer for reimbursement of the cost of a maximum of three new Explorer maps per annum, group funds permitting. The maps must cover the area normally walked by the group and the application must include a receipted bill and dates of walks led.
6. Leaders should report any incident or accident to the Secretary (secretary@portsmouthramblers.org.uk) and any obstructions or broken stiles etc. to the Footpaths/Walking Environment/Access Secretary - Mark Page, (footpath.secretary@portsmouthramblers.org.uk) 16 Stansted Road, Southsea PO5 1SA, including grid references where possible.
7. All walks appear on [Walks Finder](#) Would leaders please advise David Nichols or Chris Mac Arthur if walk details change so this can be updated and walkers contacted.
8. Although Walks Finder allows a certain amount of information to be entered, if you have a lot of information you need walkers to know about e.g. complicated travel arrangements or you wish to 'blow your own trumpet' (you put a lot of effort into creating the walk and you wish everybody to know about it), then send details to the [Webmaster](#) and he will put the information on the website.

Ramblers Walking Holidays; The Walking Partnership.

The Walking Partnership

Under a new initiative we can obtain a financial contribution for the group every time one of our members books a holiday with Ramblers Worldwide Holidays. This is £10 per person booked on UK holidays, £20 per person on short haul holidays and £30 per person on long haul holidays. To qualify you must nominate the Portsmouth Group to RWH before you travel. This costs members nothing and would obviously be a welcome addition to group funds. If you are able to do this you can obtain more detailed information from our secretary Sue Chilton on 07913941420 or email her at secretary@portsmouthramblers.org.uk

Important Data Protection Information

The new General Data Protection Regulation came into force on 25th May 2018. All members should, by now, have been asked by the Ramblers Organisation how they would like to be contacted in future: email, phone, post or not at all (apart from statutory membership contact such as renewal notices, AGM notifications, walk programmes and the Walk magazine).

PHOTOGRAPHS

The new Regulations cover more than just communication methods. All members have a right to privacy while on Ramblers walks. In future if you want to take a picture of a group or individuals on an official Ramblers walk where people are easily identifiable and are the main focus of the picture, you must inform the person/people if the photo will be published and where (for example, the Ramblers website, your website, social media, a newsletter) and confirm that they are willing to be photographed for that purpose. The easiest way to do this is by completing a written photo consent form. If you do not do so and the picture is posted on a Ramblers website and/or a social media site such as Facebook you will have broken the Data Protection Act which can have serious implications for Ramblers as well as for the person taking the photograph. So please respect people's privacy – not everyone wants their photograph published on the internet.

WALKS PROGRAMME

As mentioned above, the walks programme will be posted to members in hard-copy as this document forms part of the legitimate business of Ramblers membership. However If YOU DO NOT WANT a hard-copy and/or wish to receive an electronic version you need to inform the [Membership secretary](#).

Full details of Ramblers Data Protection rules and forms are available from this link:

[Data Protection Toolkit](#) or for those using the hard-copy this is the full link:

<http://www.ramblers.org.uk/volunteer-zone/support-and-development/volunteer-toolkits-alphabetically-sorted/gdpr-toolkit.aspx>

WALKS PROGRAMME ON YOUR PHONE/PC/I-PAD

The programme of walks can be added to any electronic calendar program held on a smartphone, i-Pad or PC. It will then be automatically updated whenever a change is made to a walk or a new walk added. This means you will always have the latest walk calendar with you at all times. The calendar entry also has a web link to the full Walks Finder entry allowing you to see a map of the start point if you get lost on route.

There are a number of ways to take advantage of this facility:

If you have a gmail/google mail email address just contact the programme co-ordinator [Programme Co-ordinator](#) and your name will be added to the calendar list and a link to the calendar will be automatically sent to you.

If you have an i-Phone or iPad just click on this link on your phone/iPad

<https://www.google.com/calendar/ical/d7185d4814d0lmgqnesjbclvdk%40group.calendar.google.com/public/basic.ics>
and follow the instructions to add this calendar to your phone.

If you are using a mail client such as Thunderbird on your PC with the Lightning Calendar feature or have another calendar programme just open that calendar programme, add a network calendar and when it asks for an address just copy and paste the following address

<https://www.google.com/calendar/ical/d7185d4814d0lmgqnesjbclvdk%40group.calendar.google.com/public/basic.ics>
You can then set the synchronisation frequency e.g. every hour, every day etc. in that programme.

Don't forget to check [Portsmouth Ramblers Website](#) near to the date of the walk to confirm walk details, or contact the walk leader if you have no internet access.

Don't be one of the people who missed walks in the last programme because the start time or start location had to be changed due to car park closures, road closures, engineering works, footpath closures and a number of other causes outside the control of the leader.

In the event of extreme weather, or any other doubt, it is the responsibility of the walker to check Walks Finder or to contact the leader to confirm the walk is taking place.

If you have an email address, please notify the [Membership secretary](#). This will enable you to receive the PDF version of this Programme as well as emailed updates in the event of walk alterations.

In the PDF version of the programme just click on the Walk Title to see the latest information on Walks Finder about that particular walk. The PDF version is also in colour.

MAP NUMBERS AND OTHER CHANGES

Ordnance Survey have recently changed the map numbers and designation for any maps covering the South Downs National Park. The majority of maps in our area are now part of the Outdoor Leisure series (OL) instead of the Explorer series (EX). If anyone buys one of these new maps Ordnance Survey also allows you to download it at no extra cost to a smartphone or ipad using a free phone app and the unique registration code shown on that map.

The table below shows the old and new map numbers.

Old map number	New map number
EX119 Meon Valley	OL3
EX120 Chichester	OL8
EX121 Worthing	OL10
EX122 Brighton and Lewes	OL11
EX123 Eastbourne	OL25
EX132 Winchester	OL32
EX133 Petersfield and Haslemere	OL33
EX134 Crawley	OL34

No muddy boots in cars please

**Leaders do their best to ensure safe walks.
However those taking part do so at their own risk.**

All walks are circular unless otherwise stated.

Wear stout footwear and carry waterproof clothing for possible wet weather.

There will be stops for coffee and lunch, so please bring a flask and food.

Walkers should not eat their own food in pubs/pub gardens without permission from the landlord.

Walkers are requested not to walk faster than the pace of the leader.

Where dogs are allowed on walks they must be kept on a lead at all times.

Walkers should always be aware of those behind them.

The Walks

A proverb for walk leaders. May you have the hindsight to know where you've been, the foresight to know where you're going, and the insight to know when you're going too far.
